President's Message

This newsletter is going to look much like last week's newsletter as I am trying to finish some projects so I can leave on our family vacation Friday. Special thanks to Steve Stark for leading the meeting next week in my absence. (Please no lawyer jokes this week out of respect for Steve.)

Don Brandes, our District Governor and his wife Bonnie enjoyed their visit to our club. I know that Don appreciated the great turnout and warm welcome our club gave him.

Don highlighted the Rotary Polio Plus program and its impact. According to Rotary World, by the time the world is certified polio-free, Rotary's contribution to eradication efforts will exceed \$650 million. Thank you to all the club members who have contributed in the past and continue to be a part of this effort.

I have been asked if I plan to send out a newsletter every week and the answer is "To the best of my ability." I would like to encourage anyone that has an article or information you would like to share with your fellow Rotarians to please email your article to me at roger.kurtz@mcsa.org. I will then get it in the next newsletter. Pictures are welcome also, but I can only use a few to keep the size of the newsletter reasonable.

Best wishes for a great week!
