This Week At Rotary

This Wednesday (August 23), John Hutson (son of Stan Hutson) will be our featured speaker. John just returned last month from a student exchange to Norway and I am sure that you enjoy his presentation.

Prayer: Bob Asahl

Humor: Bill Robinett

On August 23, the presidents of the other three Rotary Clubs will be joining us for breakfast. The Rotary Presidents are all visiting the other clubs, so please join me this week in welcoming the following individuals:

Marc Ellinger - President of the Downtown Club

Rita Esterly - President of the Rotary West Club

We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To sign up sent Pam Copeland an email to:

Just Some Notes From Roger

Bill Robinett wanted to remind everyone that we do still have some Rotary shirts, both polo and denim, should any new or old member want one. Have only in sizes L and XL, price is \$22. Just contact Bill if you would like to have one of these.

I received a note from **Harv Sanders** this weekend. Harv said one of the Religion professors of Central Methodist University in Fayette is having open heart surgery and will be out for the semester. He has been recruited as adjunct faculty to teach two sections of his Introduction to Religion classes which meet on Monday, Wednesday and Friday mornings. Consequently, he will be unable to attend our own Rotary meetings until December. He would like to continue as a member of Breakfast Rotary (temporarily inactive). He also plans to continue to serve on the District GSE Committee during that time."

I told Harv that we would miss him and that as a Methodist, I appreciated the instruction he would be providing. He responded "I'm going to tell them to come home to their Anglican roots, that all is forgiven."

I would like to start a member's bio each week in this newsletter. I will be passing out a form on Wednesday that I would like each person to respond to me with a email that will share some personal information. If I put two of these in each newsletter, we should be able to cover everyone in the club in

Bring a friend to Rotary this week!

the coming months.

See you at Rotary on Wednesday.
