Breakfast Rotary Members

Kit Freudenberg

My occupation: Grants and Donations Program Coordinator, Missouri Dept of Conservation.

Grants: research, define, organize, write/edit grants for conservation and natural resources. Donations: facilitate donations from public and private entities for conservation. These include land donations, memorials, designated gifts, trusts, bequests, and other planned gifts. Staff liaison with Missouri Conservation Heritage Foundation.

My favorite Holiday is: 4th of July because 1) it is our wedding anniversary and 2) everyone celebrates with a town fair, parade and fireworks.

Most people don't know that: I really am a shy observer rather than an active participant - and have to work to overcome this.

Bob Asahl

My occupation: E911 Sales Engineer,, I design 911 Networks and develop cost/pricing for E911 Systems for EmbarQ. Once it's contracted to the County's or City's, I coordinate the installation of E911 Services. I'm in charge of these installation for EmbarQ's properties in Missouri, Kansas, Nebraska and Wyoming. I am on my 37th year with EmbarQ. (use to be) United Telephone Co, then Sprint (use to be Sprint/Nextel)

My favorite Holiday is: Christmas because: All the Family/my kids are together and all the Grandkids are so excited and, of course, the celebration of Christ birth.

If I were President of the United States, it would greatly surprise my family.

My Breakfast Rotary hero is Joan Kramer because she takes/volunteers for the hard assignments.

Person who invited me to join Rotary: I sought out Rotary and joined in Idaho and rejoined here in Jeff City , because Rotary is the best way to connect to the community and people who work to make things happen.

My favorite vacation spot is anywhere with mountains, cool/clear streams and lakes, lots of critters, fishing, floating. #2 is big cities with world class museums, art, history, theater, restaurants. OK – it's really a tie between these two.
