2. Assistant Attorney General in the Criminal Appeals Division. I represent the State in appeals filed by persons convicted of felony offenses. I write briefs outlining the State's position on why the conviction and sentence should be upheld, and present oral arguments before the Missouri Court of Appeals and Missouri Supreme Court.
3. My favorite Holiday is: Thanksgiving because: eating is my favorite activity and Thanksgiving has the best food.
4. Most people don't know that I am distantly related (4th cousin) to the late actress Donna Reed.
5. If I were President of the United States I would ... Try to do what is in the best long term interests of the country, rather than play it safe for the next election.
6. My Breakfast Rotary hero is .. I can't single out any one person. I admire everyone who looks beyond their own interests to try and improve their community and world.
7. Person who invited me to join Rotary: When the club was formed, Jim Riner contacted me about becoming a charter member. When I moved back after law school, one of the first people I ran into was Tom Sodergren, who invited me to attend a meeting. I did so, and both Reg Turnbull and Rob Angstead offered to sponsor me as a returning member.
8. My favorite vacation spot is... Our family vacation home on a small lake in the Iron Range of Minnesota. Not only does it offer the chance to spend time with the family, it is also a great place to get away from the pressures of everyday life.
