This Week At Rotary

This Wednesday (November 29), **Tom Quinn** will be introducing Curt Fuchs from the Department of Elementary and Secondary Education. Curt has been assigned the task of developing a virtual K-12 school for Missouri. I am sure that you will find his presentation and subject matter very interesting. Hope you can be there on Wednesday.

We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To sign up sent Pam Copeland an email to:

We are in need of some programs for December. If you have an idea for a program, send Kay Freidinger an email to: KFreidinger@premierbank.com

Breakfast Rotary Christmas Party

Mark your calendars for the Breakfast Rotary Christmas Party on Wednesday evening, **December 13 at 6:00 p.m.**, at N.H. Scheppers Distributing at 2300 St Mary's Blvd. Spouses and significant others are invited to attend. There will not be a meeting on Wednesday morning, December 13. This event is being chaired by **Bob Asahl** and **Randy Scherr**. I hope everyone will be able to join us for some holiday cheer. Thanks to **Joe Scheppers** for hosting our party again this year.

Rotary Foundation Minute

This week's **Rotary Foundation Thought** is about participating in Foundation programs in our community and across the globe.

We make our annual contributions to The Rotary Foundation knowing that 50 percent of that gift will come right back to our district in three years to be used for humanitarian and educational programs chosen by us. This includes Ambassadorial Scholars, Matching Grants, and District Simplified Grants that may be used for projects in our local community.

The other 50 percent also benefits our district indirectly, because it is used to fund a variety of programs in which we can participate.

The Rotary Foundation is our Foundation. It is critical that we take ownership of it and do what we can to change and save lives, in our community and across the globe.

2. Occupation: Owner -Advanced Image Systems
3. My favorite Holiday is: Christmas. When we first lived a great distance from our families we started the tradition of attending early Mass and then spending a calm day of sharing gifts over the course of the day. It was such a nice departure from the typical mayhem that we continue this even though we now have returned home to our families.
4. Most people don't know don't intend to leave this world until I have stepped foot on all seven continents.
5. If I were president, I would Do everything in my power to allow prayer back in school and God back in government. I don't think a Nation can be run without a foundation of moral principles.
6. My Breakfast Rotary hero is Jon Howland - Because he is spearheading the Malowi Project that can have such a tremendous impact on people in desperate need.
7. Person who invited me to join Rotary: Reg (always be recruiting) Turnbull
8. Favorite vacation spot: We tend not to return to the same spot very often, making it difficul to name a favorite. So I will go with the one that I most want to return to, Cambodia. The history, people and pace are hard to top, and I was only able to be there for a couple of days. Before we left Julie and I were already discussing a return trip.
