## This Week At Rotary

This Wednesday (December 6), We will finish our new member bios with presentations from Connie Mihalevich and Winnette Swanson. We will also spend a considerable amount of time discussing and making arrangements for meeting the needs of our Samaritan families. This will be an important meeting - hope you can be there on Wednesday.

*We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To sign up sent Pam Copeland an email to:*

**December 27** – Mark Gamble – Office Depot

**We are in need of some programs for January.** If you have an idea for a program, send Kay Freidinger an email to: [KFreidinger@premierbank.com](mailto:KFreidinger@premierbank.com)

## Dues are due

If you have not paid your Breakfast Rotary dues for this quarter, please do so as soon as possible. Dues are \$30/month payable quarterly. Don't forget that Rotary Foundation contributions are needed as soon as possible so we may get them to Rotary International before the end of the year (see story at right).

## Chicken Plucker Needed

Now that I have your attention, Tony Shanley is doing a great job of organizing our chicken dinner on January 19. He needs an assistant to help him organize this event. If anyone is interested, please let Roger know.

## Breakfast Rotary Christmas Party

Mark your calendars for the Breakfast Rotary Christmas Party on Wednesday evening, **December 13 at 6:00 p.m.**, at N.H. Scheppers Distributing at 2300 St Mary's Blvd. Spouses and significant others are invited to attend. There will not be a meeting on Wednesday morning, December 13. This event is being chaired by **Bob Asahl** and **Randy Scherr**. I hope everyone will be able to join us for some holiday cheer. Thanks to **Joe Scheppers** for hosting our party again this year.

## Rotary Foundation News

Rotary District 6080 will increase the match from \$100 to \$200 towards the Paul Harris Fellow, for the month of December only. The Breakfast Rotary is also adding a \$100 match to contributions by members to make it even easier for a member to get the coveted Paul Harris Fellow.

Contributions through the end of the year are tax-deductible so contributions net out very nicely depending upon your tax bracket. If you are applying for a District match be sure to do it as early in the month as possible because requests for these matches are anticipated to be increased.

One of the many ways to support The Rotary Foundation is by including it in your estate plans. Many other Rotarians have, enabling our Permanent Fund to grow and providing long-term stability for Foundation programs. Arch C. Klumph, who conceived the idea of our Foundation in 1917, said it best: "We should look at the Foundation as being not something of today or tomorrow, but think of it in terms of the years and generations to come. Rotary is a movement for the centuries."

Our investment in time, talent, and financial resources is an investment in making the world a safer and healthier place for our children and our grandchildren.
