This Week At Rotary

This Wednesday we will not be meeting on Wednesday morning. We will have our annual Christmas Party, Wednesday evening, **December 13 at 6:00 p.m.**, at N.H. Scheppers Distributing at 2300 St Mary's Blvd. Spouses and significant others are invited to attend. There will not be a meeting on Wednesday morning, December 13. This event is being chaired by **Bob Asahl** and **Randy Scherr**. Mike Michelson will put us in the festive spirit with his music talents. He will begin playing at 6:00 pm. A special program is also planned that will add some holiday cheer. Thanks to **Joe Scheppers** for hosting our party again this year. We will return to our regular schedule on December 20.

We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To sign up sent Pam Copeland an email to:

December 20 – Steering Committee Report on MO River Pedestrian Bridge Project

December 27 – Mark Gamble – Office Depot

If you have an idea for a program, send Kay Freidinger an email to: KFreidinger@premierbank.com

Matching Funds Available

Rotary District 6080 will increase the match from \$100 to \$200 towards the Paul Harris Fellow, for the month of December only. The Breakfast Rotary is also adding a \$100 match to contributions by members to make it even easier for a member to get the coveted Paul Harris Fellow.

Contributions through the end of the year are tax-deductible so contributions net out very nicely depending upon your tax bracket. If you are applying for a District match be sure to do it as early in the month as possible because requests for these matches are anticipated to be increased.

By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed US\$600 million. This is the largest private sector donation to this initiative and second only to the US government in total contributions. PolioPlus has made the world take notice of Rotary and what we can achieve. We now have respected partnerships with such groups as UNICEF, the World Health Organization (WHO), and the Centers for Disease Control (CDC). We have earned their respect and are seen as instrumental to this initiative. In the words of Carol Bellamy, former executive director of UNICEF: "Rotary's presence has been vital for the PolioPlus effort. Without Rotary, everything would have been different."

Dues are due

If you have not paid your Breakfast Rotary dues for this quarter, please do so as soon as possible. Dues are \$30/month payable quarterly. Don't forget that Rotary Foundation contributions are needed as soon as possible so we may get them to Rotary International before the end of the year (see story at right).
