Once again, Roger has to be out of town on Wednesday on a business trip. Special thanks to Steve Stark for chairing the meeting.

Volunteer Service Award

Nominations are being sought for the Breakfast Rotary Volunteer Service Award. A nomination form can be found below with instruction and more information. Please nominate a non-Rotarian who you feel made a significant contribution to our community. Special thanks to **Jon Browning** for chairing this recognition program.

PETS and SETS assistance

Stephen Stark will be attending Rotary President Elect Training Seminar (PETS) and **Nancy Gratz** will be attending the Secretary Elect Training Seminar (SETS) here in Jefferson City. In support of the Rotary goals of addressing the problems related to "hunger" and "literacy," District Governor Brandes has asked Nancy and Stephen to bring with them to the training session canned food and/or children's books. If any member would like to show our Club's support of these two Rotary goals, please bring to one of our remaining March meetings, a can of food or book for delivery to the March 30th officer training program.

Rotary Partners

At the beginning of the Rotary year, **Joan Kramer** established a Rotary Partner for every member of the club. The goal is to make someone responsible for checking up on a member if they were not attending or if they were facing a significant issue in their life. The list of Rotary partners is attached below. If you haven't seen your Rotary partner, please give them a call. All contact information is in our directory at:
