This Week At Rotary

This week at Rotary, **David Luther and Brad Bates** will be with us to talk about the April 3rd Jefferson City School District ballot issues. Prior to their presentation we will take an official vote on the bylaw changes. I hope you will be able to attend.

We are in need of volunteers for the weekly joke of the day and offering the prayer for the morning. We will have a signup list on Wednesday morning and we hope to have everyone participate if possible.

We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To signup sent Pam Copeland an email to:

Please nominate a non-Rotarian who you feel made a significant contribution to our community. Special thanks to **Jon Browning** for chairing this recognition program.

RYLA Students Selected

RYLA is an annual summer leadership academy, facilitated by qualified educational professionals and Rotarians, established over 12 years ago. The students selected to apply are incoming or outgoing high school sophomores, recognized by their local high school or through Rotarians for their academics and leadership qualities. Participants in the camp come away with renewed self-esteem, new friends and the confidence to return to his or her high school to lead and serve their peers. These students also get an introduction to Rotary, as well as exposure to other Rotary youth programs.

This year we were presented with many quality applicants and are happy to announce the selection of two outstanding candidates for this years RYLA camp. This year the Breakfast Rotary will be sponsoring **Kathryn Shelton**; she is a student from Jefferson City High School. We will also be sponsoring **Andrew Schepeler**; he too is a student from Jefferson City High School.

This years RYLA camp will be held June 24th thru June 27th on the campus of William Woods College in Fulton. I would like to thank our club members for their interest and support of this worthwhile program benefiting the youth our community.
