This Week At Rotary

We will be offsite on **May 23 at the Jefferson City Waste Treatment Facility**. To get there, take the airport exit as if you were going to Hoods. Proceed past Hoods and the treatment facility will be on your left. Special thanks to **Ed Martin** for making the arrangements for our offsite meetings.

We would like everyone in the club to participate by sharing a humorous story or offering the prayer. To signup sent Pam Copeland an email to:

pamc@homemakerhealth.org

Breakfast Rotary Board Meeting

Because of the Jefferson City Chamber of Commerce barbecue on May 22, the Breakfast Rotary Board of Directors will meet on **Tuesday, May 29** at 5:00 pm at the Missouri Council of School Administrators, 3550 Amazonas Drive.

This year the Breakfast Rotary will be sponsoring **Kathryn Shelton**; and **Andrew Schepeler**; students from Jefferson City High School to attend this years RYLA camp will be held June 24th thru June 27th on the campus of William Woods College in Fulton. Special thanks to **Lance Stegeman** for coordinating the selection process.

Scholarship Winners

High school seniors Sam Kramer, Helias (left) and Seth Norment, Jefferson City are the recipients of the Jefferson City Breakfast Rotary Club's 2007 scholarship awards. The students have been recognized in school ceremonies and were presented with \$500 awards by President Roger Kurtz at our club meeting on May 16th. Seth and Sam will be eligible for an additional \$500 award next year if they maintain a grade point average of 2.8 or higher on a four-point scale in their first year of college work.

The scholarship committee members **Connie Mihalevich**, **Russ Mitten** and **Tom Quinn** chose Seth and Sam from a large field of excellent applicants. The awards are given based on academic achievement, school activities, community service and financial need. Quinn noted "Seth and Sam are representative of the many fine young people in our community who believe, at a young age, that service is above self".

Seth is the son of Steve Norment and Sherry Warfield. His future plans are to attend the University of Missouri-Columbia and major in engineering. Sam is the son of Chuck and Theresa Kramer. His future plans are to attend Truman State University and receive a degree in Secondary Education/History and eventually teach at the high school level.

Our club wishes you the very best Seth and Sam as you pursue your career goals.
