# JEFFERSON CITY BREAKFAST ROTARY CLUB

Good Day, Rotarians!

THIS WEEK AT THE MEETING – AUGUST 1st

The Event has now arrived. Our District Governor, Joe Beltz and his wife, Nancy, will be our special guests for the annual visit by our chief District leader. District Governor Beltz will be sharing his story of Rotary with each of us. I encourage each of us to participate in welcoming them both.

District Governor Beltz is the owner/operator of a 600-acre beef cattle ranch near Mountain View, Missouri having retired as a school teacher. He taught industrial technology in middle and high schools in Ozark and Willow Springs.

He has an infectious enthusiasm for Rotary and all its works. He has served in several leadership positions in the Rotary Club of Mountain View as well as Assistant District Governor for three years prior to being elected Governor of the District.

NEXT WEEK – AUGUST 8th

Our own Norb Plassmeyer will lead us in a discussion about Soil Conservation focusing on stream bank stabilization issues. With our state's great natural resources and many waterways, this program should enlighten us all upon what we have and how we can keep it.

Jim Clardy of RACS will be our guest to accept our gift of food.

MANY THANKS to all who have participated in bringing food to our past two meetings in anticipation of our District Governor's Visit. We have 44 items. Let's further honor our District Governor as well as the needy families in our community by continuing to bring the food items to this week's meeting. The Downtown Club and the Evening Club will also present their food collection at our meeting on Wednesday so that we will have a joint gift at our meeting of Wednesday morning.

If you are not able to be present this Wednesday and would still like to provide your donation of food, you may wish to deliver your contribution on Monday or Tuesday to Turnbull Law Office, P.C., 200 East High Street, downtown Jefferson City or deliver as part of a make-up meeting at the Monday noon meeting (Performing Arts Center) or the 5:30 p.m. Tuesday Evening Club meeting (Grace

Episcopal Church) or phone 634-2910 for other collection arrangements.

## PROGRAMS

Connie and Russ are performing excellently in obtaining our speakers and organizing programs for our meetings. If you have any ideas or know of available speakers please stay in contact with Connie and Russ at [cmihalevich@wradvisors.com](mailto:cmihalevich@wradvisors.com) and [rmitten@brydonlaw.com](mailto:rmitten@brydonlaw.com).

HALLOWEEN is on Wednesday this year! Our program co-chairs, Connie and Russ, want to spook you with an entertaining program. Do any members know anyone who might present a program about haunted places in Mid-Missouri or about any odd folklore that is spoken about our community?

**Many thanks** to Lincoln University and Sheila Gassner, Professor Holland and Assistant Dean Simons for an informative program about the school and its founders. Our off-site visits sure are an excellent opportunity to learn more about the great things in our community.

SEE YOU TOGETHER WITH OUR DISTRICT GOVERNOR ON WEDNESDAY
