JEFFERSON CITY BREAKFAST ROTARY CLUB

Good day Rotarians!

THIS WEEK AT THE MEETING – AUGUST 29th

Our own Joan Kramer will present our Program. Joan is our Club's Membership Chairperson and a member of our Board of Directors. She will lead us in a discussion about Rotarian membership. Joan just recently attended the District meeting on membership issues and will be sharing her many ideas about sustaining our membership and growing our organization. A special guest will be present: Our District Governor Joe Beltz will be in town Wednesday to join us for breakfast. If you did not introduce yourself when District Governor Beltz was at our meeting of August 1st, please take this opportunity as he wants to meet us all.

Bob Asahl will lead the invocation and Bill Cowell guarantees "something" humorous to share with us.

INDUCTION OF NEW MEMBERS

An important part of our organization is to share Rotary with new members. We have not one but two excellent candidates for membership who shall be formally made members at this week's meeting: Mr. William Rodgers and Ms. Rita Starnes. Bill is the Director of the Missouri River Regional Library. Rita is the owner of Comprehensive Communication. Please plan to attend this meeting in order to welcome our newest members.

OUR STUDENT, JOHNNY

Johnny introduced himself to us this past week and is already in the full swing of classes at Jefferson City Public High School. We appreciate Jim Casey and his family for serving as the first host family. Please consider being a host family later this year as we need to divide Johnny's time with three families and we still need the next two families to serve as host.

SURVEY

As part of the feedback gained during our Club Assembly of last month, we have decided to conduct a survey of the membership. Four members have agreed to take the lead with creating the survey questions and tabulating the results: Ed Martin, Connie Mihalevich, Tony Shanley and Russ Mitten. Within the next week, if you have suggestions as to the information we should be gathering, please contact Ed at edm@growthservices.org. The goal is to learn how Rotary can serve and how you want to share your time, talents and treasure as a Rotarian.

NEXT WEEK – SEPTEMBER 5th

Connie Mihalevich will introduce Micca Ruffin, who directs the Early Education Programs for our public school district. She will speak about Parents as Teachers, an international program that started here in Jefferson City.

Have a good week and looking forward to seeing each of you this Wednesday! Have a safe and relaxing Labor Day weekend.
