JEFFERSON CITY BREAKFAST ROTARY CLUB

Good day Rotarians!

THIS WEEK AT THE MEETING – OCTOBER 3rd

Don Alberti will introduce Ron Reynolds, a fellow Rotarian from the Downtown Club. Mr. Reynolds is the Director of the State Emergency Management Agency (SEMA).

NEXT WEEK on OCTOBER 10th

For October 10th we have the honor of Kent Keller to speak with us about Information Technology at the Department of Conservation. Kit Freudenberg will introduce Mr. Keller for this discussion about the Department's innovations in communications.

BOARD MEETING

Your Board members will have their October meeting Tuesday, October 2, 2007 at 5:00 p.m. at Turnbull Law Office downtown 200 East High Street. All are welcomed.

POLIO PLUS

The fund drive is upon us. Also Dr. David Linsenhardt introduced us to PolioPlus Partners, which is asking for our quarters in order to support the Rotarians who participate in the administration of the vaccine. Rattle your piggy banks early Wednesday morning in order to share your quarters.

HIGHWAY ENVIRONMENTAL REMEDIATION

We had a healthy group of Rotarians covering our assigned area of Missouri Boulevard. A non-Rotarian even joined on that cool early morning of Saturday, September 29th. Thanks to each and everyone who was a part of this service project.

GARRY CHEGWIDDEN

If you have not recently visited Garry's Website, he has several photos to share. You can also send Garry a message on the site. Go to www.caringbridge.com

When you open the site, on the left side you will see,

Put in the blank, Garrychegwidden (no space between the first and last names) and select GO, should open his site.

NEWS FROM SOPHIE

We received a message from our student Sophie from Belgium. Some excerpts:

First, I miss you all, and second, I will never thank you enough for what you did for me.

When I arrived at the airport in Brussels last June, there was about 15 people of my family and friends waiting for me, . . . As soon as we got home, we ate belgian food, I missed that so much! And I drank beer, of course.

I'm back at school! But this time, it's at the university, and it's much bigger! We are 600 in the same class! I have a major in Spanish and English, so when I get my diploma, I will be able to be a teacher or a translator.

Anyway, my year in the US was the best of my life, I learnt a lot about the US, the Americans and their culture, about people around me, but also about myself. And I would like to thank you for that. I will send you some email sometimes, because I would like to keep in touch as long as possible! That's the way the Rotary club works!

I hope you'll continue to stay as great and funny as you were when I met you, you are the best Rotary club ever!

I think of you,

Sophie
