JEFFERSON CITY BREAKFAST ROTARY CLUB

Hope everyone had a good Veterans Day weekend!

THIS WEEK AT THE MEETING – NOVEMBER 14th

Greg Frank will provide our Invocation and **Jim Casey** has signed up to share his humor with us.

November is Rotary Foundation Month. **Reg Turnbull**, who has served our Club in leadership roles and continues to be a leader for both our Club and our District, especially regarding the workings of the Rotary Foundation, will be our program. Please plan to attend to learn more about how your Rotary dollars impact the world and how we might continue that good work.

NEW MEMBER INDUCTION

It is with great pleasure that we will formally induct **George Kastler** as a member of Breakfast Rotary. George serves as the State's Department of Natural Resources' Naturalist assuring the viability of our state parks. Some years ago, George was a team member of Rotary's Group Study Exchange program to England. Welcome, George!

NEXT WEEK'S PROGRAM

- It appears that we likely will have a cancellation as our speaker from the Kansas City area may not be available as planned. Since we recently conducted a Membership Survey, we would like to have a discussion regarding its results and what the thoughts and goals of the membership might be for the future of our Club. You may wish to review the report previously sent.

SEE YOU SOON.
