JEFFERSON CITY BREAKFAST ROTARY CLUB

Good Day!

THIS WEEK AT THE MEETING – NOVEMBER 21st

We will seek a volunteer for our Invocation and **Rob Goth** has signed up for humor.

Unfortunately our speaker from Harrisonville who was to present a program to us about the Rotary Micro-Credit Action Group had to postpone. We will have a discussion about our Membership Survey. Ed Martin, Connie Mihalevich, Tony Shanley and Russ Mitten have contributed much time and efforts in this work product. However, we want to gain your further feedback as to the direction of our Club. Also we will have several other announcements as part of our meeting.

WE HAVE A NEW MEMBER

George Kastler is now officially a member of Breakfast Rotary. We look forward to George's participation and fellowship in our activities. Welcome, George!

NEXT WEEK'S PROGRAM

One of our community service projects in which we pride ourselves is the adoption of families for Christmas. **Bill Yarnell** will lead us in our assignments. Please join us as your presence is important for coordinating our efforts to deliver a meaningful Christmas to our adopted families.

FAMILY OF ROTARY

Please remember **Bill Lockwood** and his family in your thoughts and prayers as his wife, Lucile is undergoing medical treatment.

Jim Casey's family suffered a tragedy in the death of their son. I attempted to send an email out Saturday morning, but my computer malfunctioned and returned most of the mailings as undeliverable. The message now outdated is stated below.

ROTARY Family Tragedy

With sad heart, I share the news that Jim Casey's teenage son has died. I visited Jim at his home this Saturday morning. Although he has many family members and friends providing support at this time, Jim is having a tough time. Please keep Jim and his family in your prayers and thoughts this weekend. A prayer service will occur Sunday evening at Millard funeral home (4:00 p.m. to 8:00 p.m.) The funeral will be Monday morning at 10:00 a.m. at Immaculate Conception Catholic Church. Given the circumstances, we have relocated Johnny to his second host family, Mark and Debbie Brunner. Johnny had already become friends with the Brunner's son, thereby making the transition a little easier. Ryan Burson provided the assistance with Johnny's relocation. Given this late notice in that not all members will be reading this email this weekend, I ask those who do read it, that you might make phone contact with other members so that we might support Jim and his family with our presence at the prayer service and funeral. Thank you. Stephen Stark
