JEFFERSON CITY BREAKFAST ROTARY CLUB

Happy Post-Thanksgiving! Hope all enjoyed time with family and eating good food.

THIS WEEK AT THE MEETING – NOVEMBER 28th

We will seek a volunteer for our Invocation and **Kit Freudenberg** will share her humor, likely to be delightful as always.

As for our program, **Bill Yarnell** will lead us in our assignments to provide a meaningful Christmas to our adopted families gained through the Samaritan Center. If you cannot attend, we will try to send an email or phone call to you to ask for your participation with our Club's annual effort to assist our families.

NEXT WEEK'S PROGRAM

- Remember no morning meeting as we have our annual Christmas Party at the Scheppers' Busch Beer Business location at six o'clock in the evening. Not sure if Santa will attend but good food and good fellowship should be enjoyed by all. Rumors exist that some postprandial entertainment may occur.

YOUTH PROGRAM TRAINING

If you are thinking about or have questions about being a counselor or a host family for our exchange students in the near future, our Rotary District is offering required training here in Jefferson City this Sunday, December 2nd from 2:00 p.m. to 5:00 p.m. Please plan to attend in that we as a Club have prided ourselves in sponsoring a student each and every year for the past many years. If we want to continue, we need the training. Location: Turnbull Law Office, 200 East High Street, downtown Jefferson City. Please reserve by contacting Stephen at sjjstark@msn.com.

YOUTH INITIATIVE

Several of our members have participated in the initial planning stages of a community wide project to address issues facing our youth ages eleven to sixteen. Some funding is needed. Your Board will discuss at its Board meeting of December 4th, what contribution from our Club might be appropriate but individual contributions are also suggested. We will have more discussions at our Wednesday meeting.

ROTARY PARK CHRISTMAS TREE

On Thursday evening, November 29th is scheduled the installation and lighting of a large Christmas Tree at Rotary Centennial Park. No yet sure of the time, but details to follow.

Have a great week!
