# JEFFERSON CITY BREAKFAST ROTARY CLUB

Good day to All.

## OUR MEETING FOR JANUARY 24

– **Norb Plassmeyer** will be introducing our guest speaker, **Mr. James Reenan**, who is the Project Manager from the US Army Corps of Engineers.

**John Howland** has volunteered to provide us with our invocation. We are still looking for a volunteer for Humor (unless someone signed up last week).

## NEXT WEEK – JANUARY 30 – Off-Site

Next week, we will conduct our meeting at Learfield Communications. Clyde Lear, a local Rotarian, has created a very successful business. If you like college sports, you have to see the behind-the-scenes activities in creating a sports radio show. Hope all can attend. Its location is toward the end of Missouri Boulevard to the West prior to Farm Bureau and the Country Club parallel to Highway 50 West opposite the Capital Mall.

### MID-WINTER BBQ

Although we have not counted all the funds, this past Friday's Mid-Winter BBQ was a success in terms of participation and extra hard work by our Club, especially all the cooks who arrived at the Knights of Columbus Hall on that early cold morning to start the preparations for the feast. It is difficult to offer praise to named individuals as the majority of the Club participated, but a special thanks does go to Greg Frank and his wife, Cathy for all the time they devoted to the Dinner. More news to come as we collect the remaining funds. Please bring any funds that you have collected for our Dinner to Wednesday's meeting so that we can award the proceeds to the **Boys and Girls Club** and the **Samaritan Center**.

### HIGH SCHOOL STUDENTS

Remember to invite High School students to **Rotary Student Government Day on Monday, March 17th**. For details please contact Marc Ellinger of Downtown Rotary at [mellinger@blitzbardgett.com](mailto:mellinger@blitzbardgett.com).

Also we are accepting applications for RYLA (Rotary Youth Leadership Award Academy). This year's RYLA camp will be held June 22nd through June 25th on the campus of William Woods College in Fulton. **Ann Durbin** will be our Club contact and organizing the application process. The applications are due March 1<sup>st</sup>.

Enjoy this week and see you on Wednesday!
