JEFFERSON CITY BREAKFAST ROTARY CLUB

Good day to All.

OUR MEETING FOR FEBRUARY 6

Our exchange student, **Johnny Morocho**, will be our program informing us about his home country of Ecuador. Please plan to attend to learn more from Johnny.

We have **Dan McPherson** scheduled for Invocation and as to Humor, **Reg Turnbull** will provide us with early morning laughs.

WATER FOR PEOPLE

As a Club, we have made a goal to assist with an international project addressing the delivery of potable water. Water has been a theme of Rotary for some time. We have already assisted the project in Malawi, Africa, but it is an ongoing construction project. We set our efforts for fundraising to be ten dollars per member, but an amount that you wish will be greatly appreciated. You may write your check to "Water for People" and we will start collecting at this week's meeting. Many thanks. **John Howland** will provide a program for our meeting of February 20th.

NEW MEMBER INDUCTIONS

It is not really correct to say "new member" when we induct Rob Angstead as Rob has served our Club in the past. We will be welcoming Rob back. Also Robert Brundage has completed his orientation and will be scheduled really soon.

NEXT MONTH

Plan to bring your guest to our February meetings. We still need to recruit new members to meet our membership goals.
