# JEFFERSON CITY BREAKFAST ROTARY CLUB

Good day to All.

## OUR MEETING FOR MARCH 19

- **George Kastler** may be looking for double pay as he will lead both our invocation and our humor.

Mr. Alex Threlkeld with the United States Army Corps of Engineers will be our program presentation about the Mark Twain Lake and the Clarence Cannon Dam and the new construction for a Visitors' Center.

## NEXT WEEK

- **Dr. Carolyn Mahoney** will introduce our program for next week March 26<sup>th</sup> regarding the topic of Military Related Research at Lincoln University.

## MANY THANKS

- Our Club had the majority of volunteers assisting in the two days of assembling the PETS/SETS training materials. The new presidents and secretaries of all the clubs across the whole state will be most appreciative when they all come to Jefferson City at the end of this month.

- Student Government Day held on March 17<sup>th</sup> was a success for the many high school students who came to Jefferson City from the various areas of the state. Thanks to the Rotarians who took leadership roles in that endeavor.

## MARK YOUR CALENDAR – Tuesday, April 22<sup>nd</sup>

The Group Study Exchange team from Brazil will be in Jefferson City and the Evening Rotary Club will conduct its regular meeting as an All-Club Social and Dinner in order to greet our guests from Brazil. All Rotarians and family members are invited. Details and reservation information will be announced soon.

**Hope to see everyone tomorrow at our meeting. Have a great week!**
