COMMUNITY SERVICE ACTIVITY

Next Missouri Boulevard Scavenger Hunt Scheduled for Saturday, April 26, 2008, at 7:00 a.m.

Jon Browning, Chair of Community Service shares with us: As a reminder to all of our members, new and old, our Club adopted and agreed to pick up trash along Missouri Boulevard between K-Mart and Blockbuster Video in the fall and spring of each year. Our next excursion is scheduled for **Saturday, April 26, at 7:00 a.m.** Depending on the number of club members who agree to get out of bed that early on a Saturday morning, this trash pick up typically lasts 45-60 minutes, and counts as a make-up for your attendance record. In addition to having the opportunity to get some early morning exercise and having quality time with members of our Club, all will have the chance to find real treasures! Past excursions have yielded, on average, \$0.57 in loose change; various driver licenses; a wide assortment of soda and beer cans; and the occasional hubcap.

I would to remind all that our Club takes great pride in it public service, and encourage everyone to attend and help with this event. Picking up the trash left by others is not glamorous work, but it is a clear example of service above self!

A sign-up sheet will be circulated starting in early April. Thanks, Jon
