**New Rotary Theme
 Make Dreams Real**

Rotary International President Dong Kurn Lee addressed district governors at the 2008 International Assembly, urging them to use their resources to help curb child mortality. Lee said he was in disbelief when he learned that 30,000 children under the age of five die every day from preventable diseases such as pneumonia, measles, and malaria.
 "Once I understood the issues behind that terrible number, I knew what I needed to do," Lee said. He told the governors that Rotary will keep the service emphases of recent years -- water, health and hunger, and literacy -- but asked them to focus their

your membership information or make a foundation donation. In order to register on the member access you will need three important things:

- 1) The district number : 6080
- 2) Your club number : this number is available through your club president or secretary. Or you can get it on the District Website (see info at left)
- 3) Your personal rotary id number. If you do not have this number see your club secretary.

Once you have registered, RI will send you a password to the email you registered with. After you have logged in, you will be able to change the password to something you select.

After your account is set-up you will have access to your rotary information on-line. You can view your foundation balance or make a deposit.

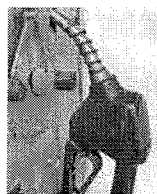

Get Ready for Membership Month

August is Rotary's Membership month. As you work on recruiting new members this year try targeting individuals that help you meet your club goals. As you go through your club surveys you can identify your club's specific needs, then you can target specific members of your community. Let those people know that they can also find purpose in Service Above Self.

Making up attendance

Club attendance is important! This time of the year many people are vacationing with their family or traveling on business and attendance in your club may be down. Make sure your members are making up their meetings at www.rotaryclubone.com and get their make up form to your club secretary for credit. It is so simple, it is a great way for your club to keep their attendance up, and you will gain information.

Foundation/Membership Seminar Challenge

The joint Foundation/Membership Seminar will be held at Tan-Tara Resort at the beautiful Lake of the Ozarks on September 20, 2008. Due to the high price of gas, I'm encouraging all clubs to carpool. This will give you a great opportunity to brainstorm about your

efforts in each of these areas on children.

"In 2008-09, I will ask you all to Make Dreams Real for the world's children," he said. "This will be our theme, and my challenge to all of you."

Upcoming Items of Interest

* **SHARE FUNDS** will be available for Humanitarian Grants-watch for application on District Website

* Applications should be sent to district sub-committees after Aug. 1st for Rotary Foundation Scholarship awards.

club goals on the trip there and back. For an added incentive to attend, I will be awarding the club with the highest percentage of members attending a \$50 gas gift card!
