JEFFERSON CITY BREAKFAST ROTARY CLUB

MAKE DREAMS REAL

Good morning and hope everyone had a safe holiday weekend.

Our prayer for this Wednesday morning meeting will be led by Joan Kramer and Humor Jay Jordan.

As fellowship was the foundation on which Rotary was built, the Family of Rotary's purpose is to encourage Rotarians to care for Fellow Rotarians, their families and others. In order for these efforts to be successful the President's have been asked to appoint (I like to ask for a volunteer first) a chairperson to head up the Family of Rotary committee. The volunteer is needed ASAP. The initial project is to help and honor Rotarian families that have family members deployed overseas by the military. They are just in the planning phase but the chairperson appointed by District Governor Sherry is asking for help. The Family of Rotary chairperson from our club is needed to obtain names, provide suggestions and be an important part of this effort. Please contact me if you have interest.

Dear Rotary Members:

On behalf of the Special Learning Center, our youngsters we serve, our staff and our therapists, thank you so much of your continuous support of the Special Learning Center. What a wonderful way to start the 2008-09 school year- to receive so many items on our Wish List! Thank you, too, for the financial support.

I cannot thank you and the other Rotary Clubs of Jefferson City enough for the support that you extend to us and our special children. Organizations such as yours have helped us bridge the gap between costs and income over and over during our years of service. Yet, it is the individual hearts and hands that indeed make the Special Learning Center that special place for so many youngsters and their families. Your members have proven over and over that they truly understand the work we do and are committed to helping us. THANK YOU SO VERY MUCH.

Sincerely,
Debbie Hamler.
