Dear Rotarian Dudley,

Tomorrow is the day of the **Bills**:

- **Bill** Rogers tells me that **Bill** Robinette will be introducing our speaker: *Margaret Rose Tollerton* from the Missouri Coalition for Lifesaving Cures. That's one coalition that we can all support.
- **Bill** Robinette will also be delighting us with humor.
- **Bill** Lockwood will be leading us in prayer.

Also tomorrow, I will have the honor of inducting Don Martin as our newest member and the first of what will hopefully be many new members during this Rotary year. I just hope that I don't accidentally introduce him as **Bill** Martin; or for that matter, Ed Martin, Aaron Martin or Cathy Martin.

You would think that will all of these **Bills** and all of these Martins, we could find someone named **Bill** Martin to join our club. Unfortunately, the only **Billy** Martin that I know of managed the Yankees for many years and ultimately needed one of those lifesaving cures as he has since, sadly passed away. I don't know, however, if there is a "cure" for an auto accident which was the cause of **Billy's** untimely death nearly 20 years ago.

What any of this has to do with Rotary, I have no idea. But do come tomorrow and, if you have not already done so, introduce yourself to **Bill**, rather Don Martin and welcome him to our club.

As a reminder, look for your team number on the tables tomorrow and please sit with your teammates. We will try to do this every second Wednesday of each month throughout the year to facilitate group strategy and team building.

And always remember...

For all you do, this club's for you. The Future of Rotary is in your hands!

Yours in Rotary Service,
Joseph N. Scheppers
