Dear Rotarian Dudley,

It's been two weeks since your devoted servant misled the membership with an erroneous speaker named in your weekly meeting reminder. If I can get through this message sans errors, I will extend my streak of mistake-free messages beyond the current count which is (insert imaginary drum roll here) ... 1. Alas, we all have to start somewhere, so here goes:

Past President Roger Kurtz will introduce speaker Nicole Langston who is the Director of the Early Childhood Program. Unfortunately, that is all of the information I have at this time so I cannot tell you exactly who's Early Childhood Program it is, but, as it is Roger making the introduction, I am guessing it is the Jefferson City School District. We shall see.

Aaron Martin (yes, with Cathy's resignation we are back to our historical level of 3 Martins in our club) is slated for the prayer. You may recall, however, that Aaron filled in for Bob Asahl on October 14<sup>th</sup> at the J.C. Area Chamber. Therefore, if they swapped slots, don't be surprised to hear Bob tomorrow instead of Aaron. At any rate, one of the two will likely have a prayer for us. (You probably notice that I am trying to cover all of my bases to get through this message error-free.)

The always reliable Randy Scherr has once again volunteered to delight us with a joke or a humorous anecdote.

In addition, we will have our usual assortment of reminders and announcements. After all, the holidays are fast approaching so plan on getting together in teams next week, Nov. 11<sup>th</sup> - the second Wednesday, to coordinate our Christmas family activities.

Don't forget that the board meets tonight (Tuesday) at 5:15 at N. H. Scheppers Distributing. All are welcome to attend.

The first trimester of the Rotary year is behind us. My how time flies.

I hope to see many of you tonight and all of you in the morning, but, until then, remember that **The Future of Rotary is In Your Hands**. For all you do, this club's for you.

Yours in Rotary Service,  
Joe

Joseph N. Scheppers
