Dear Rotarian Dudley,

Happy Thanksgiving!

The holiday season officially begins with Thanksgiving day (it does in the Scheppers' household anyway)! For those of you looking at your calendars and wondering if we will be meeting tomorrow, the Wednesday before Thanksgiving, the answer is: YES! Of course, we will. Who would want to miss out on the wonderful fellowship that we all enjoy each Wednesday morning throughout the year? That is one thing I am personally thankful for, in addition to the many other blessings God has bestowed upon me and my family. I know that at least some of you will be thankful that [William Rodgers](#) will do the humor tomorrow (and not [George](#) ;-). Perhaps [Chevis Smith](#) will comment on that as he leads us in prayer.

We will once again have one of our own, [Anita Randolph](#), provide our program. Anita will be speaking on the topic of "Energy Saving Programs", so don't save your energy by staying home in the morning. Come and find out what Anita has in store. You never know, maybe she can show us how to save enough energy that we can tell OPEC to bug off.

Any teams that have not yet finished their Christmas family shopping should get together tomorrow to put the finishing touches on their plans. We should have that task completed by next week. I know that my team leader, the venerable AG [Tom Quinn](#), has finished the task for group 4 with the able assistance of his lovely (an patient) wife Mary! Thanks Mary, your help is appreciated by all. Also, tomorrow is the last day to get your Polio Plus contributions in to [Dr. Dave](#), lest he start hunting you down.

I know that we conflict with the Jefferson City Area Chamber of Commerce Prayer Breakfast tomorrow morning, but, if you are not going there, I hope to see you at Rotary.

Until then, always remember: **The Future of Rotary is in Your Hands!**
For all you do, this Club's for you.

Yours in Rotary Service,
Joe
