Dear Rotarian Dudley,

Yes, believe it or not, another week has past. The next gathering of the Jefferson City Breakfast Rotary club is nigh. This time, at the conclusion our morning meeting, our ranks will have swelled by one because Eric Streumph will have been inducted as our newest member, thus raising our total membership to (drum roll, please...) fifty-eight (and cymbals clash here). Thank you to [Larry Vincent](#) for sponsoring Eric for membership, I know that he will be a fine addition to our club.

And speaking of fine club members, PP [Stephen Stark](#) has signed on for the morning prayer and tomorrow's humor will be in the very capable hands of [Anita Randolph](#).

As all of you are certainly aware, the 2010 Missouri legislative session has officially begun and tomorrow's speaker will tell us what his organization will be hoping to accomplish during this year's session. Brad Jones is the State Director of the National Federation of Independent Business (NFIB). The NFIB is an advocate for the interests of small business at the state and federal level.

Only 10 days left to sell dinner and raffle tickets. Remember, we are supporting three charities again this year; RACS, The Boys & Girls Club and The Samaritan Center. It is up to you to make this event a success. Why? Because **The Future of Rotary is in Your hands**. For all you do, this club's for you.

Yours in Rotary Service,  
Joe
