Dear Rotarian Dudley,

Now that we have our off-site meeting date nailed down (it was last week for those of you who didn't read my email), I am happy to announce that we are back at the Plaza tomorrow. But before I delve into that, there is an important matter that I must address first:

The Board meets tonight at 5:15 pm at N. H. Scheppers Distributing Company.

As always, all are welcome to attend.

Okay. Now that that's out of the way, I can get back to the issue at hand which is our regular weekly meeting tomorrow morning. This is one that you don't want to miss. No, not because [George Kastler](#) is saying the prayer. What's that you say? You would rather have George pray for us than do humor? Well get this: George is doing double duty and providing us with humor too. I, for one, am looking forward to what I am sure will be entertaining at the least. Thanks, George for your dedication to our club. But no, George wearing two hats is not the reason that you won't want to miss the meeting either. The reason is that Bertrand Winnen, our fine young Rotary Youth Exchange student will be our speaker. Yes, Bertrand will be telling us about his home, his family and his life back in Belgium. This is always one of the more interesting programs that we have each year and I am sure that this year will be no exception.

By the way, for those of you who did miss the email last week and showed up at the Capitol Plaza, only to find very few members and no meeting, I will be asking Joan Kramer to credit you with a make-up. After all, you made the effort to attend. So if you are in this group, let Joan know.

And for all of you, including those who did find us at the Runge Nature Center, remember that:
The Future of Rotary is in Your Hands! For all you do, this club's for you.

Yours in Rotary Service,

Joseph N. Scheppers
