Dear Rotarian Dudley,

Another blustery February morning awaits us tomorrow but that won't be stopping me. I will be at the Capitol Plaza to hear Ann Pardolos who will be speaking to us on the topic of: The Economic Impact of Exporting. It seems to me that the economic impact of exporting would be selling more stuff to more people. Is there more to it than that? You will have to come tomorrow to find out. [Randy Scherr](#) will be introducing Ann.

Those attending will also hear a blessing by PP [Nancy Gratz](#) and a morning dose of humor by [Bill Robinett](#) so don't let the cold weather keep you from coming to Rotary. You won't regret being there.

Treasurer [Jon Browning](#) promises to have an update on our Mid-Winter BBQ results. The numbers are still not final, but we should be really close to the grand total now.

Keep those new potential members coming. We need to keep our club strong and, of course, ***The Future of Rotary is in Your Hands***. For all you do, this club's for you.

Yours in Rotary Service,
Joe
