Dear Rotarian Dudley,

February's days are numbered. In fact tomorrow is number 24! And we all know that the 24th day of February means another Breakfast Rotary Wednesday. Puxatawney Phil, confirmed by Cole County [Cowell](#), on the 2nd day of February, declared that there will be six more weeks of Winter. Hence, with less than 3 weeks of Winter remaining, it is high time that you gardeners start thinking about the coming Spring season. Is there a better way to prepare for the gardening season than to have a member of the Cole County Master Gardeners club come and share a bit of their expert knowledge with our club? I think not! (But then again, I'm not a gardener, so what do I know.) Denis Benning, on the other hand is a Master Gardener and after a quick introduction by [Bill Rodgers](#), Denis will impart some wisdom upon us all.

So dust off your gardening tools (or not; they are just going to get dirty again when you use them) and join us for Rotary fellowship tomorrow morning at the Capitol Plaza Hotel where [Stan Hutson](#) will provide our invocation and [Jay Jordan](#) will tickle our collective funny bones.

I look forward to seeing you all then and remember: ***The Future of Rotary is in Your Hands.*** For all you do, this club's for you.

Yours in Rotary Service,

Joe
