Dear Rotarian Dudley,

I am trying something new this week by sending out the weekly meeting reminder on Monday instead of the usual Tuesday afternoon. My thinking has always been that the nearer to our actual meeting time, the fresher the information is in one's mind and thus, the more likely to attend the meeting. Is this is sound thinking? That may never be known, but I do know that it is the method that works best for myself because if I see something on Monday, I have usually forgotten about it by Wednesday.

Having said all of that, there is actually another reason that I am moving up the delivery this week. As you can see by the email reprinted below, there is a need for a head count for a couple of the events on March 29th. This will give you a little extra time to check your calendars so that we can get the information to Erin in a timely manner. In addition to the events mentioned in Erin's message, the South Koreans will also attend the Jefferson City Rotary Club's noon meeting at the Etta & Joseph Miller Performing Arts Center. The presidents of the local Jefferson City Rotary clubs will be present for a banner exchange. Anyone else wishing to attend should let me know so that the caterers can prepare enough food for the expected audience. Of course all are welcome and encouraged to attend.

Here is Erin's message:

Hello all,

The GSE Team visit is quickly approaching!

I need your help on two items to prepare for the team:

- 1) I need an estimate from your group of how many will be attending Monday night's reception and
- 2) If anyone is interested in going on the prison tour Monday afternoon, they need to call Daniel Stroesser at 632-2820. We need at least 15 people for the tour.

I would appreciate your estimates by Friday afternoon so I can lock in the numbers with the G2 Gallery.

If you have any questions, please feel free to contact me!

Best,
Erin

Now, on to the scoop about our meeting Wednesday morning. (No, not tomorrow -Wednesday.) Ed Martin will have the prayer but our humor is currently a scratch. Someone who originally signed up apparently cannot be there on Wednesday so I will be seeking volunteers. Maybe we can get two or three to come up and we can pick the best. Let me know Wednesday morning if you want to entertain the club.

Our own Randy Scherr will be the speaker on the topic: **"Do Lobbyists really represent Special Interests?"** I'm not sure. Maybe that is supposed to be the humor! There is one sure way to find out. Come to breakfast Wednesday morning and hear what Randy has to say.

Reminders:

- Sell your raffle tickets to support our international project. If you haven't gotten yours yet, you probably were not at the last meeting so there is another good reason to attend this week. We will be drawing the winner at our March 31st meeting so there is only a couple of weeks left to get your tickets sold.
- Assembly for the PETS/SETS manuals is at N. H. Scheppers Distributing this coming Saturday. Please use the East side door marked: **EMPLOYEE ENTRANCE**. There is another group using the Clydesdale Room that morning so don't go there.
- District 6080 annual meeting is April 15-17 in Springfield. You can sign up by going to the [District website](#) or [DaCdb](#).

That's all for now. Remember that ***The Future of Rotary is in Your Hands***. For all you do, this club's for you!

Yours in Rotary Service,
Joe
