Dear Rotarian Dudley,

**The monthly board meeting is tonight at 5:15 pm at N. H. Scheppers Distributing.** Be there or be square. (Actually, you really only need to be there if you are on the board, but as always, all are welcome.)

With that out of the way, if you recall last week's to-do list, we can check off another major item as our international fundraising project is now complete. Congratulations to [Jim Casey](#), the proud new owner of a 3.3 lb baby netbook computer. Thanks to [Greg Frank](#) for taking this project under his wing. Hopefully, we will have final numbers tomorrow as to how much was raised over the \$1,400 that we already sent to a hospital in Ecatepec, Mexico for infant warming beds (and other items too as we found out a couple of weeks ago!). Everything over \$1,400 will be donated to Rotary International's Haitian Relief Fund. Well done Greg.

And speaking of Haitian relief, we couldn't have a timelier program than a speaker from RI detailing their efforts in Haiti. Too bad that's not our program. But fear not. We do have the next best thing. When you think of disaster relief, the first organization that likely comes to mind is the Red Cross and yes, that will be our program tomorrow thanks to [Nancy Gratz](#). I do not know who will be speaking as of this writing. I doubt that it will be long time area director Melissa Friel as she recently took over as the new director of the state's center for emergency response and terrorism. Has a new director been named? We may find out tomorrow after we hear a prayer from [Jim Weiberg](#) and get to "lol" at [Roger Kurtz's](#) humor.

The main thing for each of you to do before tomorrow is to keep in mind that ***The Future of Rotary is in Your Hands***. For all you do, this club's for you.

Yours in Rotary Service,  
Joe
