Dear Rotarian Dudley,

We're back!!! Back to the Capitol Plaza Hotel after two consecutive off-site meetings that is. I hope that all of you were able to find us these past couple of meetings as the programs and locations were quite interesting and worthwhile places to see. Thanks to [Bill Lockwood](#) and [Nancy Gratz](#) for running point on these two programs and thanks to [Bill Rodgers](#) and [Ed Martin](#) for their efforts as well.

So, what will we do back in the hotel? Good question. We will hear from fellow Rotarians (Jefferson City Evening club) Jim and Kathy Libey on the subject of geocaching. This begs the question: What is geocaching? I have no idea. Well, that's not entirely true. After calling program sponsor [Don Alberti](#), who will handle the program introduction, I am told that geocaching is some sort of internet/GPS treasure hunting game. Welcome to the 21<sup>st</sup> century. Apparently, not all multiplayer games come in a cardboard box anymore.

Also tomorrow, we should get to meet our two scholarship recipients; Hayley Hoth from Helias High School and Natalya Mokeyeva from Jefferson City Senior High School. Please make them feel welcome and congratulate them for their achievement.

[Steve Dinolfo](#) is scheduled for our prayer and [Gary "Ride a Clydesdale" Markenson](#) will display his significant skills as a humorist. You won't want to miss it! So come to the Plaza tomorrow morning because ***The Future of Rotary is in Your Hands***. For all you do, this club's for you!

Yours in Rotary Service,

Joe
