Dear Rotarian Dudley,

Things are pretty quiet this week as I contemplate what's on tap for tomorrow's meeting. In fact, I really can't think of anything pressing enough to announce in my weekly meeting reminder so I will get straight to the meat and potatoes. [Randy Scherr](#), tomorrow's program sponsor, will be introducing Ann Perry who will speak to us on the topic of ED. No, not [ED Martin](#), although he does work in the same field. Ann will speak on the other ED - Economic Development. I don't have Ann's title but I am sure that if Randy recruited her to speak to us, she is well qualified on the subject.

In honor of the end of the regular legislative session, we will have to Bills on the agenda. [Bill Lockwood](#) will deliver the prayer and [Bill Rodgers](#) will supply the humor. Hopefully, both Bills will pass.

I look forward to seeing all of you at the Capitol Plaza in the morning. Until then, remember that ***The Future of Rotary is in Your Hands***. For all you do, this club's for you!

Yours in Rotary Service,  
Joe
