Dear Rotarian Dudley,

The days are getting longer, but my time as your President is certainly getting shorter. Tonight is my last board meeting as your club President. President-Elect Greg Frank will have his new board members in attendance tonight as well to begin the transition to the new Rotary year. As always, all members are welcome to attend. The meeting will begin at 5:15 pm and will be at N. H. Scheppers Distributing Company's board room. It appears for now that the board meetings will remain at this location for next year as well.

For tomorrow's program, [Larry Vincent](#) will be handling the introduction of our speakers, Chris Gates & Larry Kolb of Kolb Properties. They are joining us to present an "*Update of Local Economic Development*". President and CEO Larry Kolb is the owner and principal broker for Kolb Properties. Since 1987 Kolb Properties has been serving the Jefferson City area in commercial real estate services. He is joined by Sales & Leasing Associate Chris Gates. Mr. Gates specializes in office, retail and residential income real estate.

[Steve Dinolfo](#) has the prayer duties and [Roger Kurtz](#) is on the line for humor.

For those of you who were paying attention and expecting a new member induction tomorrow, I have some disappointing news. Brian Bowles, new member nominee, has withdrawn himself from membership consideration at this time due to his personal and work schedule. Hopefully, Brian will find the time to join us at some future date. We wish him well.

The following is an email correspondence from our club's outbound exchange student, Logan Brunner, to [Nancy Gratz](#). Thanks Nancy for sharing this with us. I look forward to hearing from Logan at a future breakfast meeting to hear about his experience. (Based on the attached photos, I am guessing that Logan had a great time. Especially with the other exchange students in Machala!)

I will see some of you tonight, some of you tomorrow, and hopefully all of you soon. Until then, ***The Future of Rotary is in Your Hands!*** For all you do, this club's for you.

Yours in Rotary Service,
Joe
