Dear Rotarian Dudley,

I start this week's email with remembering the fun we had at Larry's Motor Sports. I think everyone came away with some chuckles and warm feelings about the visit with Larry. Thanks for having us over!

I hope someone has my back! I left in a rush from Larry's and left the prayer and humor sign up sheet behind. If you picked it up - many thanks - if not, I'll start a new one. Maybe I should attach a bell or tire rim to it! or maybe just a clip board!

I spotted Chevis over the weekend and asked him to lead us in prayer - if we don't know who signed up. I have no clue who was signed up for humor. Auditions will be held prior to the meeting.

The humorist will be on the spot because we have 2 dignitaries with us this week. The first to be introduced will be our non-Rotarian volunteer of the year. George Kastler will present the award to Harriet Waldo. I believe we will also have guests from two of her favorite charities - Habitat for Humanity and church in attendance.

The second dignitary is our own District Governor - Raymond Plue. Raymond hails from the Columbia South club. He will share his goals and aspirations for our district. Don't be late - we'll start the meeting about 7:15 in order to give our full attention to Raymond's message about District 6080.

Yours in Rotary Service,

Building Communities - Bridging Continents

Greg M. Frank
