 Dear Rotarian Dudley,

Sorry I'm very late with the email this week, but don't delete! There is a list of upcoming events and a tip on the easiest way to get around the internet when you it concerns Rotary!

The gift of sight. The gift of health. The gift of life. These gifts can be given from one to another through organ and tissue donation. For transplant, therapy or medical research the passing of a soul from a body can mean the passing on of life. How so? Virginia Beatty is going to tell us about a means of bestowing these life gifts. Ms. Beatty is the Organ and Tissue Donor program manager for the Missouri Department of Health and Senior Services. This church volunteer and youth mentor is the public servant that has led Missouri's donor program since 2006. She brings to Rotary the message of what organ and tissue donation means and how those interested may contribute.

We don't have anyone signed up for prayer or humor this week. Chevis will be sending the signup sheet around to get the next few weeks lined up.
